

# CUSTOM REBATE WORKSHEET

## COMPRESSED AIR NO LOSS DRAIN

Custom Efficiency rebates are for new energy-saving equipment and projects that are not eligible for a standard rebate. Please provide the information below to help us to determine your rebate amount.

In addition to this form, you must submit a completed Custom Rebate Application (right) with all invoices, receipts, and specification sheets. All Custom Rebate Terms and Conditions apply. See the Commercial Custom Efficiency Rebate Application for details.
