^ASTM Standard Test Method for Performance of Pre-Rinse Spray Valves (Standard Valves should be italicized) See Electric/Gas rebate information to see if you qualify for an additional rebate of 50% of installed costs.

+Electric and/or gas rebates also available if qualified. Gas rebates not available from RPU. (Visit www.minnesotaenergyresources.com.)

Urinal rebates also available to residential customers.

READING YOUR WATER METER:

The amount of water that flows through your water meter is measured in hundred cubic feet (CCF). One CCF is equivalent to approximately 748 gallons. One CCF is also known as one Unit.

For tips on water conservation for homes and businesses, visit www.epa.gov/watersense/.

Visit our websites and check out our 2010 Conserve & Save Electric & Gas Rebate Programs.

SAVE MONEY WITH WATER EFFICIENT APPLIANCES & EQUIPMENT

WATER EFFICIENT APPLIANCES & EQUIPMENT

By making just a few small changes to your daily routine, you can save a significant amount of water, save money, and preserve water supplies for future generations. Water efficient products provide the same performance and quality you've come to expect, but with the added benefit of water savings. For example:

- You can save up to 4,500 gallons per year by updating your bathroom with a WaterSense labeled toilet.
- You can cut your water costs by more than 50% by buying a clothes washer with the ENERGY STAR® label.
- Using pop-up sprinkler spray heads with rotating nozzles can save up to 6,600 gallons of water per nozzle over a 5-year period.

CONSERVE & SAVE WATER REBATE PROGRAM

Austin Utilities, Owatonna Public Utilities, and Rochester Public Utilities are offering several rebates, through our **CONSERVE & SAVE Rebate Program**, to customers who purchase water efficient products. See the back of this brochure for a complete list of available rebates.

HOW DOES CONSERVE & SAVE WORK?

- 1) Purchase water efficient products that meet our Minimum Efficiency Requirements.
(see application for complete Terms and Conditions)
- 2) Get a rebate application from your dealer, contractor, utility, or download them from:
 - www.austinutilities.com
 - www.owatonnautilities.com
 - www.rpu.org
- 3) Fill out the application completely, attach your sales receipt and any other required documentation, and send it to your utility.

TEAMING UP TO SAVE YOU MONEY
