

# Austin and Owatonna Homeowners- You're Invited to a FREE **CONSERVE & \$AVE** at Home Workshop!

The Conserve & Save at Home workshops will teach participants common sense ways to decrease energy use and save money on their utility bills. Workshop participants will be able to sign up for the new Conserve & Save House Call, a comprehensive energy audit program; a \$300 value that participants will receive for a co-pay of only \$25, normally \$50. The Conserve and Save House Call will include a blower door test and installation of low-cost materials. Participants will also receive information on innovative financing, incentives, rebates and stimulus funding.
