ABOUT THE WORKSHOPS:

The **CONSERVE & SAVE AT HOME** workshops will teach participants common sense ways to decrease energy use and save money on their utility bills.

Workshop participants will be able to sign up for a **CONSERVE & SAVE HOUSE CALL**, a comprehensive energy audit program. This audit is a \$300 value that workshop participants will receive for a co-pay of only \$25! (*regularly \$50*)

The **CONSERVE & SAVE HOUSE CALL** will include a blower door test and installation of low-cost materials. Participants will also receive information on innovative financing, incentives, and rebates.
