### **Light Equipment Operator**

Austin Utilities is seeking a talented and self-driven Light Equipment Operator to join our Gas & Water Construction team. The successful candidates will perform a variety of maintenance work and operates a variety of equipment in the installation, replacement and maintenance of gas & water mains and services.

Key responsibilities include but are not limited to:

- Operation of a variety of equipment in the installation, replacement and maintenance of gas and water mains and services;
- After hour calls, and responds to emergency situations
- Performs required labor involved in construction and maintenance projects as part of a crew, including pavement cutting, ditch digging, manhole and line cleaning, main and pipe repair, laying and backfilling.

### **Why should you apply?**

Austin Utilities has been recognized as one of the “Best Places to Work” in Southeast Minnesota. We put your safety first, and have been the recipient of several safety awards over the past six years. As an integral member of our gas & water construction team, this position provides an opportunity for personal and career development to advance your professional career as you demonstrate your expertise within our organization. You will have the opportunity to work with a very dedicated team of professionals who are passionate in their service to our community. And, we offer a work environment where work-life balance is realized.

### **What will it take to be successful?**

The ideal candidate will have a high school diploma or GED, Minnesota Class A Commercial Driver’s license with air brake endorsement, and previous experience with equipment operations. Candidate must meet Austin Utilities residency requirement of 20-miles from operations center.

### **What a career at Austin Utilities can offer you...**

As a community-owned enterprise for over 100 years, we offer the stability of providing a required service and commodity for our community. We are a diverse team of professionals who take pride in delivering exceptional service to our community through new and innovative technologies. We understand employees have competing priorities. That is why we have created an environment that embraces teamwork and flexibility. Join a diverse team of high performers who take pride in delivering exceptional service to our community and tap into the power of your potential!
