SECTION B. REBATE APPLICATION CHECKLIST

1. Read the following terms and conditions to determine if you are eligible for a rebate:
 - Only one service address per application.
 - Rebates are intended for customers, not contractors or builders.
 - LED bulbs, LED light fixtures, and ceiling fans with LED lighting must be ENERGY STAR® certified to qualify for a rebate.
 - The Utility reserves the right to reject any rebate application submitted as a result of work performed by a contractor who has failed to adhere to the terms and conditions established for the rebate program.
 - The Utility reserves the right to apply rebates to past due accounts. Rebates \$75 and under will be applied to your account. Rebate cannot be combined with any other offer. Rebate cannot exceed the price of the bulb, package, or fixture.
 - Recipient must be an electric customer Austin Utilities, Owatonna Public Utilities, or Rochester Public Utilities.
 - Due to limited funding, this rebate offer can be withdrawn at any time without notice. Applications will be processed on a first-come, first-serve basis. All applications from this year's purchases (2018) must be received by March 31, 2019.
2. Purchase ENERGY STAR® certified LED bulbs, LED light fixtures, and ceiling fans with LED lighting.
3. Complete the information on the inside of this rebate booklet, making sure to fill out all sections in detail. Allow 6-8 weeks for processing. Missing or incorrect information will increase the processing time.
4. Include your original sales receipt and portion of the packaging showing the ENERGY STAR® logo, manufacturer, model number, bulb wattage, and number of bulbs or fixtures. Only one package per each type of bulb and fixture are needed.
5. Sign the application (required to receive rebate).
6. Mail this completed rebate booklet and required documentation to your utility provider:
