

# Supplement to Austin Utilities Employment Application

## Position: Engineering Manager

*To all job applicants: Completion of this supplement is required as part of Austin Utilities' employment process in order to more accurately evaluate your qualifications for the position of Engineering Manager.*

1. Describe your electric utility experience.
2. Describe your supervisory experience (number and type of staff).
3. Have you worked for a municipal, co-op or investor-owned utility? Please specify.
4. Have you had any municipal water supply experience? If so, please explain.

5. Please describe any project management experience.
6. Please provide details on training and technical support you have been responsible for in a prior position.
7. Detail any training or continuing education in the management of staff that you have participated in.
8. Please list your salary requirements.
