

**Position:** Line Worker Intern

**Pay Rate:** \$36.45/hour

**Posting date:** 04/09/26

### Line Worker Intern Description

Austin Utilities is seeking a Line Worker Intern to work up to 1,000 hours with our Electric Operations team. This is a temporary position involving various work with a line crew on overhead and underground construction and maintenance of our distribution system. This experience will count toward your required hours of experience to become certified as a Line Worker with the State of Minnesota.

### Minimum and Desired Qualifications:

- Completion of a Line Worker Technician program from a certified educational institution;
- Possession of a current Class A Minnesota driver's license;
- Subject to random drug-testing requirements.

### Why should you apply?

Austin Utilities has been recognized as one of the "Best Places to Work" in Southeast Minnesota for several years in a row. We put your safety first and have been the recipient of several safety awards over the past several years. As a member of our electric operations team, this position provides an opportunity for personal and career development to advance your professional career as you demonstrate your expertise within our organization. You will have the opportunity to work with a very dedicated team of professionals who are passionate about their service to our community.
