MINIMUM BILL: The "Monthly Minimum Bill" under this Rate Schedule shall consist of the Customer Charge, Reservation Charge, any Rider(s), and any "Taxes and Other Charges".

ADJUSTMENT FOR COST OF PURCHASED GAS: Not applicable to this Rate Schedule.

TERMS OF PAYMENT: Bills are due within ten (10) days of receipt and delinquent if not paid in full by the due date noted on the bill. There will be a five (5) percent late payment charge added to all accounts that are not paid by the due date.

TERMS AND CONDITIONS:

Customer must meet all requirements in Austin Utilities Gas Transportation Tariff.

All rates subject to change upon thirty (30) days notice.

- Customer shall execute a written Service Agreement with Austin Utilities for service under this Rate Schedule. The Service Agreement shall contain such conditions as Austin Utilities may reasonably require.

- The minimum term of the Service Agreement shall be one (1) year. Austin Utilities may, in its sole discretion, permit a term of less than one (1) year.

- Service under this Rate Schedule shall not commence until Customer has executed a Service Agreement and provided all other necessary documentation, including, but not limited to, evidence that Customer has obtained all necessary authorizations from any federal, state, or local authority having jurisdiction.

Customer shall be responsible for all contracting, scheduling, balancing, payments, etc. for natural gas supply.

RECONNECTION CHARGE: Any Transportation Customer receiving service under this Rate Schedule shall pay a connection charge when requesting a return to Austin Utilities system supply for all or any portion of the Transportation Customer's daily requirements.

The reconnection charge shall consist of any and all charges associated with realignment of Austin Utilities gas supply portfolio to accommodate supply service for the returning customer. These charges may include but are not limited to, reservation and commodity charges, balancing charges, penalties, take-or-pay costs, and transition costs (such as, GSR costs, ACA charges, and GRI charges).

AUSTIN UTILITIES

PURCHASED GAS ADJUSTMENT

Natural Gas

When a rate schedule provides for the application of a "Purchased Gas Adjustment", such adjustment shall be determined as follows:

Production costs shall be calculated monthly to reflect actual changes in the cost of natural gas production. For these purposes, the "Cost of Production" shall mean the total cost of purchased gas.

Costs for any subsequent period shall reflect the costs as may be reasonably anticipated, plus or minus any corrective adjustments from the previous period.
