I pledge to reduce energy by:

As you make your pledge please keep in mind that Peak Alerts are typically only called a few times per year during the months of June through September, and for just a few hours each day.

Check All that Apply

- Turn off non-essential lighting
- Turn off restroom and closet lighting
- Turn off task lighting at desks
- Turn off unnecessary fans
- Turn off radios

- Turn off televisions
- Turn up AC thermostat 2+ degrees
- Close doors to unconditioned spaces
- Turn off any computers or monitors not in use
- Other: _____

I understand the importance my actions will have on the community energy savings, and I will do my best to help keep energy costs lower.
